

CLASSROOM NEWS!

Ms. Melissa Mehrer www.msmehrer.weebly.com

Upcoming Units of Study

- **Math:** We will begin Comparing Fractions!
- **ELA:** We are starting our Unit on Water. Students will be reading all about water, writing an opinion essay and ending 4th quarter with a PSA! I am super excited for the next 9 weeks!
- **Science:** We will be reviewing the Solar System and then we will be exploring Earth's water and its features and Plants!
- **Social Studies:** This quarter we will be exploring History and Culture and ending with our Economics Unit!

Mark your calendar

- **April 11, 2018:** Spring Pictures
- **April 14, 2018:** Snow Make Up
- **April 16, 2018:** BYOD Meeting

A note from your teacher

- I hope everyone had an awesome track out! I cannot believe it is our LAST quarter together! I have had so much fun this year and I cannot wait to have some more fun this quarter! Take a look at the content we will be covering this quarter under the Upcoming Units of Study box. We will have our last field trip to Durant Nature Park on April 4th! Please remember to pay online this trip is \$9. If you do not pay, your child cannot attend. Our Book Fair is back and we will be previewing it on Tuesday March 27th so the kids can see if there are any books they are interested in! I am excited to announce I have been trained for our BYOD program. We have a parent meeting on April 16th at 5:30. Parents who wish to have their child participate in BYOD needs to attend a parent meeting. I am excited to integrate more technology this quarter! I hope everyone has an awesome Track In week. Third grade has also started our own garden at school. Be on the look out for any supplies we may need! Our plant beds are built and the soil is in. We will begin planting soon! It will go great with our science unit! If you have any questions please do not hesitate to contact me!
